---

## OPTIONAL COLORS - TIER I

Tier I colors offer popular alternatives to the standard colors at a small per unit list price premium. Those premiums are noted with the Standard Finish information in the Lozier Price List catalog.

|  |                                 |
|--|---------------------------------|
| CHR - Charcoal Black (when not Standard) | SIL - Silver Gray               |
| GRY - Gray                               | WHT - White (when not Standard) |
| PLT - Platinum (when not Standard)       |                                 |

---

## OPTIONAL COLORS - TIER II

Tier II colors offer a broad spectrum of color options at a nominally higher per unit list price premium than Tier I colors, plus a per-order set-up charge. Those premiums are noted with the Standard Finish information in the Lozier Price List Catalog.

|                    |                      |                  |
|--------------------|----------------------|------------------|
| A37 - Foundry      | N74 - Dark Rust      | T74 - Khaki      |
| A65 - Oyster       | N81 - Classic Copper | W08 - Cool White |
| B45 - Indigo Blue  | QP3 - Powder Chrome  | YEL - Yellow     |
| G35 - Hunter Green | R53 - Primary Red    |                  |
| G89 - Tuscan Olive | RBL - Royal Blue     |                  |

---

## SPECIAL COLORS

Special colors and laminates not listed are subject to Marketing approval and will be assessed set-up charges and per-item charges on a per job basis.
