

Nesting tables may be created using island sections with T-legs and Laminated Wood Tops. Shelves or baskets may be used below the table tops for increased display capability.

### Featured Parts:

Wood Top  
Graphics Channel  
T\_leg

### Featured Colors:

Paint: Cool White (WO8)  
Foundry (A37)

Laminate: Wild Cherry (LLR)

NOTE: Color chips are printed representations and may vary from actual colors. Melamine and Laminates are reasonable color matches to painted finishes. Contact your sales representative for actual sample.
