

Island Section

This book display features Laminated Slotwall Backs and End Panels for an upscale appearance. Book Shelves and Book decks are used to angle books upward for a better presentation. Extension uprights may be used for category signs (by other).

Featured Parts:

Wood End Panels
Upright Mount Sign Holder
Laminated Steel Deck
Drop in Wire Shelves

Featured Colors:

Paint: Classic Copper (N81)

Laminate: Wild Cherry (LLR)

NOTE: Color chips are printed representations and may vary from actual colors. Melamine and Laminates are reasonable color matches to painted finishes. Contact your sales representative for actual sample.
